He'll say,
"John Hutson."
Then ask him,

He'll say,
"Caballero".
Finally, ask him,
"Who's the best free-style skater ever?"
And he'll say,
"Rodney Mullen, you idiot!"

What do these three skaters have in common?

INTERVIEW

GSD.

NO INTRO NEEDED, (Know What I Mean?)
BORN IN OHIO. WE KNOW THAT, SO TELL US ABOUT THE OTHER PLACES
YOU'VE LIVED SINCE THEN.

GSD-I flew away from Ohio in July '82. From there I lived in
San Jose, for 9 months. I ran out of \$ there, cut 2 ft of
hair off my head, and got a job washing dishes 8 hours a week.
I also donated blood out of my arm twice a week for \$20 a week.
I was scrapping just to stay alive. Tracker called me and said
they were printing a new mag and that they wanted to use a
short article out of SKATE FATE. I said "yes" and asked them
if they had any job openings down there. They said "yes", so
I moved to Oceanside where I've lived for 1½ years.

WHAT SORT OF WORK DO YOU DO THERE?

GSD-At Tracker, I put together trucks and package products. In
TWS, I design some of the lay-outs, do paste-up, write a couple
of things here and there, and recieve mail. It's fun, But I
hate working when I don't want to.

DO YOU HAVE ANY REGRETS?

GSD-I regret that I ever stopped talking in the 8th grade. I re-
gret that I ever started watching Twilight Zone. I regret ever
starting to listen to Alice Cooper. And I regret ever reading
an article by Craig Stecyk. All of these things have ruined my
life!!!

WHAT'S YOUR OPPINION ABOUT CURB/STREET SKATING GETTING POPULAR?

GSD-It doesn't add up. It's nothing serious.

ARE YOU A MAN OF ACTION, OR WORDS?

GSD-Both?

WHAT DO YOU THINK ABOUT COREY?

GSD-Corey is one of those kids who hates everything. I like the
way he skates, he does great on vert, curbs, and ditches, which
is rare. Heard he was getting blue hair...

ARE DENNY'S SESSIONS FUNNER THAN FREE-STYLE?

GSD-Yeah. Denny's is Okay, but you should get all you can eat
for \$1.49. Only the best should be allowed to free-style. It's

too hard,
WILL SKATE FATE EVER STOP? HOW LONG HAVE YOU BEEN PUTTING IT OUT?
GSD-Skate Fate will one day stop. It's been in production for 3
years & 3 months. It takes too much work & time to do, even the
little 12 page ones.
ARE YOU ANTI-SOCIAL, OR ANTI-PEOPLE?
GSD-Anti-existence? What did you say??
DOES SKATEBOARDING MAKE YOU LAUGH?
GSD-Yes. Whenever I do "S Turns" down hills, when I start doing
style turns, it makes me smile. It's so stupid.
WHAT DO YOU THINK ABOUT "JUNK FOOD"?
GSD-Junk food is not too good for us. But when we're in the mood,
we admire it, and purchase it. Goodbye.

BEAUDOIN

MARTY STAND UP GRIND IN THE STATE OF WISCONSIN.

Eight a.m. the phone rings, "Hello." "Ay, is Gavin there?" "This is him." "What are you doin? This is Marty Beaudoin from Milwaukee. I'm catching a plane out there today. Could I stay at your house?" "Why not, every other out of towners does." "Cool! I'll be arriving at SJ International at 9 P.M. Flight 638, gate 82. Don't forget, bye."

I hang it up, and go back to sleep. I wake up a few hours later, and realize that I forget who called, and what time he was to be here. I call Insee that night to take me to pick up

"that kid from Milwaukee." We got to the airport, and found him in a phone booth holding his beard. Jen looks at him before saying a thing and goes, "This must be the guy, he's got Trackers."

SS-HOW OLD ARE YOU, AND WHEN DID YOU START SKATING?

M-17 years old. Have been skating for about 5 years.

SS-WHO ARE YOUR SPONCORES?

M-I am a proud SIMS/TRACKER teamrider.

SS-TELL US ABOUT YOUR RAMP, AND WHO SKATES THERE.

M-My ramp is 16 ft wide, 9 ft tall, 16 ft of flat bottom, 8 and 4 ft roll out decks, with a changing room under the 8 feet wide deck, and two 4 ft wide extensions. There are lots of locals, but the main ones are DISDAIN, (Ken, Brian, Charles, Meen Dog), Ben, the Petersen Brothers, & Mike F.

7 SS-WHAT'S WISCONSIN LIKE?

M-Wiscnsin has two things; The best skate park in existance,

(SURF 'N TURF), and cheap beer. That's it.

SS-WHAT'S THE DEAL ON SURF 'N TURF ANYWAY?

M-Yes, it's true. Surf 'n Turf is re-opening as of Dec. 9th for weekends only. It's the coolest park! It has 5 rideable peels, The Clover, Keyhole, Capsule, (and two others). Unlike most parks with one peel only! ONLY AIN'T NAMIN' NO NAMES!

...Del Mar, Upland, Endless Summer, and Kona. Be there, (Surf 'n Turf), or be a fag.

SS-WHAT DO YOU THINK ABOUT COWS? (Wisconsin being the "National Dairyland" and all.)

M-Cows are great! Who else sits around all day eating grass?

Besides they make steaks and milk.

SS-WHAT HAPPENED AT THE FIRST DEL MAR CONTEST THAT YOU ENTERED, AND WHAT HAPPENED TO YOU ON YOUR WAY BACK TO SAN JOSE?

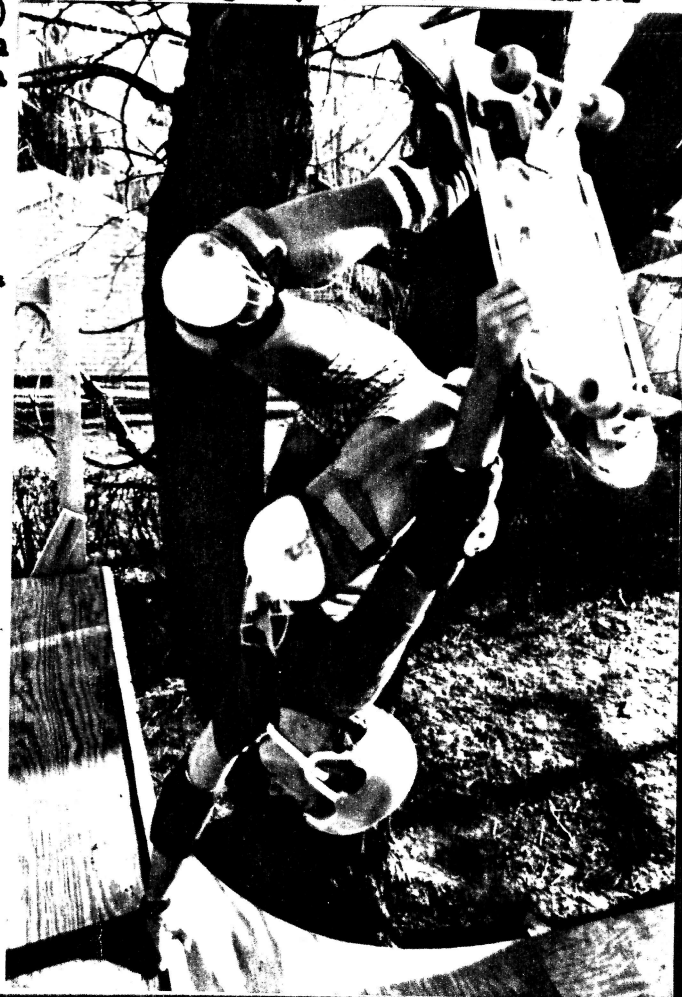

M-Picture this, 400 people watching, I go up for this radical tail drop, (pressure's on) and oh no! Squirles-out on the flat bottom and puts a 2 inch scar on me knee.

"WELL, IT'S OKAY".
-MARTY

Worst week-end of my life. To make things worse, on our, (Marty, Corey, Brent, & Keith), way back to S.J. some DORK tries to pass 2 trucks & 3 cars in our lane in his diesel rig. This was on Pachece Pass. Here's Renden going about 80, and this truck is coming straight at us. Renden swerves off the road and comes about a cunt hair away from hitting a telephone pole. This act saved all our lives. It was unbelievable, we all shit our pants.

SS-WHAT'S THE BEST THING YOU'VE EVER SKATED?

OKAY THEN, WHAT BANDS MATTER? Bill-Germs, Misfits, and Samhain. I just saw Samhain, they're fully God.

WHAT'S THE BEST THING YOU'VE EVER SKATED?

Bill-Endless Summer's Kidney cuz everyone hates it. Imperial Ditch, Del Mar, Morgan Hill Ditch. But the D.O., (Doctor's Office in Cincinnati), is way God.

WHERE DID YOU GET THE KNICKNAME "MR. HATE"?

Bill-The nickname came from Roskopp and Jinx at Kona '82.

I hated stuff back then, and I still do now!

ANY LAST WORDS? Bill-Cokes, curbs, 'fits, Samhain, dead chicks, (Yes that's right. This guy even hates girls.), Germs, GSD all for God.

WHO CARES, SKANK

Yep. The name says it! Who cares if it's an old record or not? Does that make it lame? Who cares if no one likes it? We don't.

TOY DOLLS-Dig That Greeve Baby L.P.

This album is beyond good! 14 songs that are enough to get anyone hyper. Lots of talking & joking inbetween songs. FIREFY JACK, STAY MELLOW, NELLIE THE ELEPHANT, AND GLENDIA AND THE TEST TUBE BABY are all great. Excellent mix, great sound, and cool lyrics make this one a must.

ANGELIC UPSTARTS-Angel Dust L.P.

An album to stoke on. THE MURDER OF LIDDLE TOWERS, POLICE OPPRESSION, I'M AN UPSTART, and TEENAGE WARNING are the first four songs on this disc. The last few songs on side two get sorta mellow, but who cares? This album documents the rise and fall of the infamous Angelic Upstarts, in 15 songs recorded over their years of mayhem.

THRASHER'S SKATE ROCK II

BLAZING WHEELS & BARKING TRUCKS

McRad-cool. TSOL-Excellent. Big Boys-fast. Anvil Chorus-whatever. Faction-? Kingpins-rip. Los Olvidados-steking! Berscht-fun. Free Beer-okay. JFA-live, Killer. Tales Of Terror-fair. Ancestors...good stuff. Drunk Injuns-tearin'.

This album gets an "A".

SAMHAIN

-Initium L.P.

Glenn Danzig's new band doesn't sound that much like the Misfits. Included on this record is Lyle from Miner Threat helping out on guitar, and Eerie Ven from Rosemary's Babies. Glenn plays guitar on some songs. There's a different version of the old 'fits song, HORROR BUSINESS on here too, along with newer songs SAMHAIN, INITIUM, BLACK DREAM, MAC-ABRE, THE SHIFT, ARCH ANGEL, and more.

VANDALS-When In Rome, Do As The Vandals L.P.

Finally some new stuff by the Vandals. At least they didn't change! II great songs. SLAP OF LOVE has great lyrics as well as the other 10 songs, like LADY KILLER, MASTER RACE, MOHAWK TOWN, & more. This album is worth buying, get it today.

TOY DOLLS-We're Mad E.P.

This 3 song disc shreds. All three songs include cool lyrics, driving guitar, quick drumming, and cool bass riffs. Side 2 includes RUPERT THE BEAR, and a new version of DIERDRA'S A SLAG. Get it.

FLIPPER-Gene Fishin' L.P.

I'm glad Flipper finally released a new record! The sound here is a little different from GENERIC, yet the sound is also familiar, (you know, that sound they put out that makes you feel like you're under water). THE LIGHTS, THE SOUND...IN LIFE MY FRIENDS, and their track off the first MR&R comp., SACRIFICICE are stand outs. Get this one.

Adam Bomb

OF THE FACTION & IM RECORDS

← Adam dying his hair to Corey's approval.

SS-HOW OLD ARE YOU RIGHT NOW?

A-19.

SS-WHAT DO YOU DO IN THE FACTION?

A-I play lead guitar, and I do the back-

GO ing wee-wee's and ah-ah's.

SS-WHAT KIND OF AMP DO YOU HAVE RIGHT NOW?

A-Marshall!!!

SS-A LOT OF BANDS FROM THIS AREA HAVE TRIED TO PUT OUT RECORDS BEFORE, AND FAILED. WHY DID THE FACTION SUCCEED?

A-We got the money loaned to us from my mom's boyfriend. It was \$700...big budget records inc.! We spent 100 dollars on recording, \$650 on pressing, and \$50 on the record labels.

SS-WHAT DOES THE FACTION DO WITH THE MONEY IT MAKES OFF RECORDS?

A-Well, 60% of it goes into the bank for the next record, and the band members get paid 10% each, (chicken feed), sometimes...when there's money, (laughter).

SS-IS IT "BIG BUCKS BANK ACCOUNT?"

A-(Laughing) Oh shit! I get service charges for not having enough cash in the account. Like, I be haulin' down stacks of checks to the bank thinkin' I'm rich, but then the bank slaps me with all these service charges. And that's it.

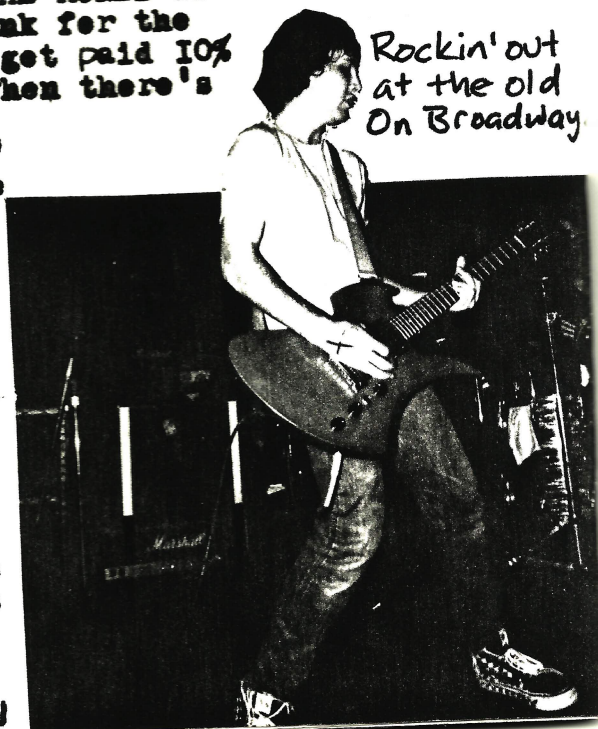

SS-HOW LONG HAVE YOU BEEN SKATIN'?

A-God. Let's see...do you count "K-Mart" boards or what?

SS-NO.

A-Okay. My first "real" board was a Santa Cruz with red Road Riders and X-Calibers. And I got that when I was in 8th grade. Seven

years ago.
SS-WHAT PARKS HAVE
YOU SKATED?
A-First park I ska-
ted was Campbell.
For a year and a $\frac{1}{2}$
I skated there, and
nowhere else. Then
I went over to Win-
chester and skated
there for it's last
2 or 3 years. I ska-
ted Milpitas once
after it had closed.
When the Faction
went down south I
skated Colton Ranch,
and that's it. Oh,
I skated Endless

Summer, (Detroit), until they kicked me out for wearing no pads.
And I said, "But I'm in the Faction", (The Faction were all sup-
posedly going to be able to skate there for free.) They wanted
to charge me!?! And they said, "Well, when you get your own
beard out, you can skate for free too". So anyways, the Faction
beard will be out soon, and uh... (laughin' & shit) Never! Never
going to be a Faction beard. Trend.

SS-HOW DID THE TOUR GO?

A-Pretty bitchin'. Everyone thought we'd lose money. But, huh,
we didn't.

SS-SO WHAT'S YOUR ADVICE FOR YOUNG BANDS WHO ARE THINKING ABOUT
GOING OUT ON TOUR?

A-Don't go out unless you've got records out that have sold
1,500 copies at the minimum!

SS-OKAY. WHAT BANDS DO YOU LIKE?

A-All kinds. AC-DC. They've kinda been #1 with me for quite a
while now. Van Halen, Scorpions, Judas Priest, Iron Maiden, Met-
tley Crue, Kiss, uh... I like some of these punk type bands too.
I like the Misfits. The old ones, not the new ones! There's a
new band that's called the Misfits now! A pop band! What a rip
off!!! I like Social Distortion. The new Black Flag is pretty
good.

SS-DID YOU HEAR THAT BLACK FLAG ARE CHANGING THEIR NAME TO
"METAL FLAG"?

A-Whuuuuut? No way, you're full of shit!

SS-YEAH, WELL I'D BELIEVE IT.

A-Me too.

WELL THAT'S IT.

A-Let's go to Street Light.

ROLLING RUMORS & FAX

Clay Townsend and Steve Swain skated for the first time in 6 years at John Middlekauf's ramp in late Nov. Clay & Steve didn't have all their moves they had when they rode for Campbell Skatepark, but they had a good time. Middlekauf's ramp is so much like the original Summit Ramp, that it's scary.

Brett Bye is putting out a new skate mag called Sequel Bazeeka. Look for it soon.

Paul Gazentae is back in San Jo temporarily. Says he's been hating life in his new home town in Meusseri.

They finally leveled the land, and pre shop on the site of the old Campbell Skatepark.

The Santa Clara Valley said good-bye to Camp Corona, which by the way was the coolest rock-a-billy/punk/partyin'/apartment/hang out in the val. Oh well....NEXT!

Pete-man Murray Bowels grew a moustache and beard. Now he sorta looks like the dad in "Family Ties".

If you are normal, that skull of yours contains 22 bones.

Is NHS going to revolutionize skateboarding again?

What's this stuff about Virginia Beach, VA? Competition... for San Jose? Iee-I says S.J. is more skater populated, and has more stuff to skate. I hope. Wouldn't want to lose our crown and title, would we?

Don't know what the deal on Fab's Ramp is. I hear that the one bitchy neighbor is lightning up. Wait and see.

NO ONE knows just how many ramps, pools, and ditches there are in San Jose...and no one will ever find out. Too many skaters.

When's Grosse turning pro? He should cuz he tears hard.

Lance Mountain should have a beard out on Powell. You know he deserves one.

GRAFFITI / OF THE MONTH

The last time we interviewed "The Big Barn", he was riding for Madrid, lived in Ohio, and was virtually unknown. But now, it's a whole different situation. He moved out here to San Jose, got sponsored by NHS, moved to Santa Cruz, got a job at NHS, and got his own model out on Santa Cruz Skates.

Despite all these changes, he's still a "Big Barn".

WHY DID YOU MOVE OUT TO SAN JOSE?

R-That's a dumb question. No, the reason why is because I was bored with the place I lived in, (Cincinnati). I wanted more out of what I was doing...Because of girls, alright damn it! Man...

WHY DID YOU QUIT MADRID, AND GET ON SANTA CRUZ?

R-Because I always wanted to ride for them.

WHERE ARE YOU LIVING NOW, AND WHO WITH?

R-I live in Sequel with Brett my room mate.

WHAT SIZE SHOE DO YOU WEAR?

R-8½, 9, or 19½. What ever I feel like wearing that day.

WHY DON'T YOU EVER ENTER CONTESTS IN SKATEPARKS?

"I'll work you boy!"
-Robflopsk

R-I was going to enter Upland, but some dork ran into me, and I did a flip and landed flat on my back. Still go to the chiropractor. Del Mar? I'm always doing something else. Plus, they shouldn't even have 'em there. Tony Hawk always wins. Get bored.

DO YOU SURF? WHERE?

R-Yes! It rips! Beaches. In town. Up north.

WHAT WILL YOU DO IF COREY AND GRAEME REALLY GOT THEIR WISH, AND DRAINED THE BEACH?

R-Couldn't do it, too much water. Lest!

WHAT SKATERS DO YOU ADMIRE?

R-Fatboy Olsen, Lance, Gibson, for style. Phillips for precision.

WHY DO YOU SNORE SO DAMN LOUD???

R-Getta do somethin' loud.

WHAT DO YOU DO AT N.H.S?

R-Silkscreen. Get pissed cuz I can't skate. I use to do sales, but wasn't into sitting on my ass all day.

LAST WORDS?

R-Don't let skating be like it use to. Make it better

Rob's room mate, Brett, who use to be a local at the Scurbs, put in his 2¢ on some of the questions too...

#3 With me dog face! And if you say where, I'll thump your jewels. That's right mate.

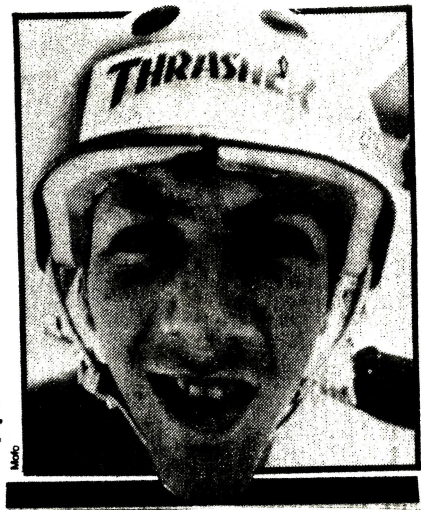

#4 Left or right feet?

#6 Yes, in the water.

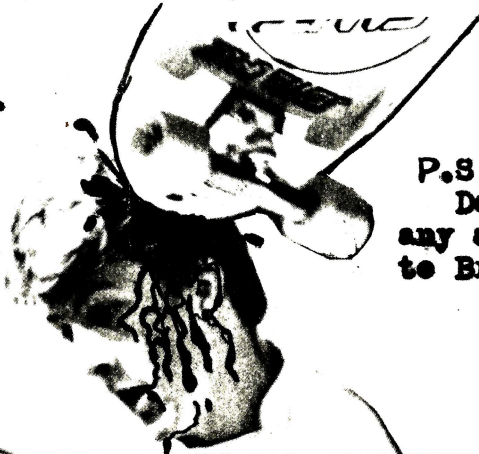

#7 You breath too much smog, it makes you ask dumb questions.

ILL REPUTE

"Just a bunch
of good 'ol boys."

PHOTO: JEFF H.

ILL REPUTE are, Left to Right: Jim Callahan, Carl Valdez,
John Phaneuf and Tony Cortez.

Ill Repute are an Oxnard based band. They started in Nov. of '81 and have been improving every since. They've gone on two tours of the states (Both of which fell apart half way through). They have a 7" that's old news called "OXNARD-Land of no toilets" and a semi-new 12" called "What Happens Next" that has been recieving great reviews by one and all. They've been on numerous Comp.'s (All being the Mystic Lable) and are now planning on recording a live (In Studio) album. It's a party that everyone is invited to. It should be great. It's on the 28th (Since past) of October. They've played with alot of great bands and have appeared at places like The Stardust Ballroom (The Skate Show), The Olympic Auditorium (W/GBH, Heart Attack), Goleta Valley Community Center (W/Angelic Upstarts, Social Distortion), The Cathay (W/The Necros, Circle One, Bad Religion), The T-Bird Rollerdrome (W/Battalion of Saints, Vandals), Tijuana (W/False Confession, Sulucion Mortal), and the list goes on & on. When asked how many shows thay've played, Jimmy Callahan (The Bassist) replied "More than 50, less than a 100", which doesn't sound too bad to me. They are one of California's finest and Oxnard's pride & joy. When asked how they felt about their vinyl releases Carl said, "As Al Flipside says, I can't wait till the next one, and neither can we!" Their infamous symbol can be seen on buildings and walls in L.A. as well as all over their homeland, Oxnard. I'm sure you could probably even see one in San Jose some where. Who know's?? When faced with the question as to why they started this band they gave mixed replys, such as.... "Boredom... says John (The singer), but to "Have Fun" was Tony Cortez's reason. On any account they have grown into one of fastest growing Hardcore bands around. They've also stayed very humble about their infamous band. Tony C. was a big factor in helping a growing local band False Confession get a record and shows together, and they are more than grateful to IR. Tony also Produced and practically put together the "NARDCORE" Album that shows some of the local talent on it. He also helped to get one of the few clubs in Oxnard going. So, He, as well as the rest of the band play a big part in the Oxnard (And surrounding area) Scene. They have helped to influence people like myself to get out and do something. As far as the definition of Ill Repute goes, I can see, in no way how it holds to these four guys. They are a must to see, so if you haven't, you should, because ILL REPUTE are going to be your next (and last) favorite band. STOP AND THINK.....

Words by Tony Bell

Jeff Kendall

INTRO-G.O.
PHOTOS-?

Ever wonder what it was like to own the best ramp ever built? Ask Jeff Kendall from Indianapolis Indiana...he'll tell you.

It's located at his uncle's house, and is known as, "The Love Ramp." 28 ft wide, a clean ft of vert, about 12 ft of flat, meatie, PVC, and real coping, plus a cool 4 ft canyon. You couldn't ask for more.

But that's not the reason we're interviewing Jeff. He is easily one of the best amateur skaters in the country, no doubt.

HOW OLD ARE YOU, & WHEN DID YOU START SKATING?

J-I just turned 17, and I think I started skating vert around the summer of 1981.

WHO DO YOU SKATE WITH ANYHOW?

J-I skate with whoever's skating

which is mostly some of the locals here in Indy.

WHERE DO YOU SKATE OUT THERE?

J-I skate in Ohio, Michigan, and I use to skate in Wisconsin until

Surf'n Turf closed.

WHO ARE YOUR SPONCORS?

J-Madrid and Gullwing.

WHAT DO YOU THINK ABOUT WHITE CASTLE HAMBURGERS?

J-White Castle's rip! But you have to be in the right physical and mental state to eat them or you'll be hatin' it for about 20 min.

WHAT DO YOU DO WHEN IT SNOWS?

J-We usually shovel off the ramp and skate it or just street skate in shelterd spots. Or other snow related sports like throwing snowballs at cars! Pure fun!

DO YOU LISTEN TO MUSIC?

J-Hell No! Of course!

WHAT BANDS? J-I listen to powerfull bands with good vocals and

good lyrics. My ever-all favorites are MINOR THREAT, ADOLESCENTS, JFA, SOCIAL DISTORTION, DIE KRUEZEN, & DURAN DURAN...just kiddn' Right now, 7 SECONDS is my God.

WHAT SORT OF SKATING IS THE FUNNEST FOR YOU?

J-I like skating vertical mostly, but street stylin' is a blast most of the time.

IS YOUR CITY ALL HAPPY ABOUT THE COLTS MOVING THERE?

J-Oh yeah! It's funny because people try and support them when they know the Colts suck. When they were first gonna move here, you could go up to people and say, "Hey, did you here we might get the Colts?" And they would get fully offended and pissed off at you.

DO YOU STILL MAKE "SOCIAL CONTORTIONS" MAG?

J-Not really. I've made one, but never gotten around to print it. I might put a little one together later on.

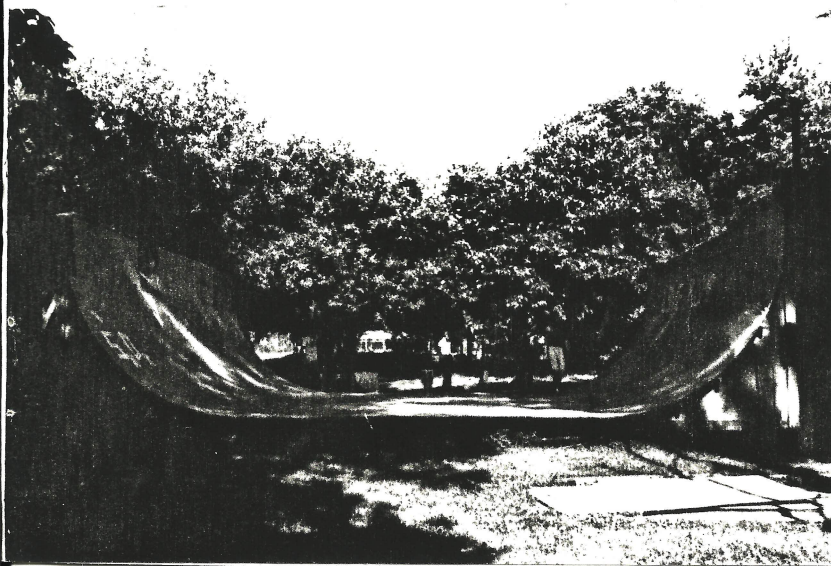

LAST WORDS?

J- I just want to come out to California soon.

BY COREY O.

Me, Jammie, & Randy started this Saturday night by going to some lame party in Les Gates. We got there and everyone was outside in the rain, so we said, "SHINE!". We decided to go see P.I.L.

We got to San Francisco and it was a bitch tryin' to find this place. With no \$, we finally found the place.

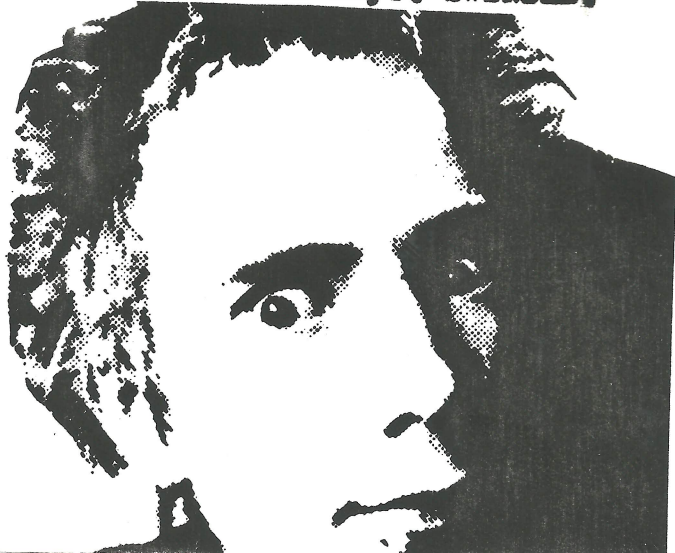

It was too cold to stand outside all night, so we tried the oldest trick in the book...getting someone's ticket stubs.

I couldn't believe it! We were in, no hassels or anything. O'men, I've had harder times getting into 7-II!

When we barged in, PIL were playing "ANNALISA", then they went into the old Sex Pistols classic, "BODIES". They also played other PIL tunes including the theme, and lots of other ones too.

Johnny Rotten and his new PIL line-up were pretty good. His antics that night included hitting people on their heads with his mic, and on his hand so to make a thundering noise blast out of the PA.

He spit on everyone, gave some money away, and told everyone that we were a shitty crowd. Just like the old days. SWINDLE!

YANK
IT!

SS-HOW LONG HAVE YOU TWO BEEN SKATING?

MORT-Since the first issue of Skate Scene came out. So it's been a while.

MAX-You derk. It's been since March, 1982. Think Mort, think.

SS-WHAT DO YOU LIKE TO SKATE?

MAX-Curbs are cool! The Scurbs tear. Didn't see anyone there till about...

MORT-Just had to, I don't know. The Scurbs are illegal now cuz of this fat lard who thinks he's a cop, but he's not.

MAX-He's jealous cuz he's old and fat, and we aren't. Shine that keek! I'll go get Ramsay's bazeeka and blow his ass out! (laughing)

SS-WHY DID YOU TWO THINK YOU COULD BUILD A 222ft HALF PIPE?

MORT-Some wild hair. Yanked that one quick. That was in the first issue right?

MAX-Yeah. That thing would have been rad. When we realised we hadn't enough wood, we tried to extend it onto our roof! Mort's mom sorta laughed.

SS-HAVE YOU TWO LIVED IN SAN JOSE YOUR WHOLE LIVES?

MORT-Yeah. Except we moved to Whittier for a few months before they dezed it. We ran out of money the first four days we were there though.

MAX-We had to hitch-hike back up here, cringin' for bars and chit.

MORT-That sucked! We were stranded for days. Let's face it, it's hard for a skin and a mehican to hitch.

SS-WHO PICKED YOU UP?

MAX-Eddie. But first we went to Del Mar. Tere hard. Then we finally left. Stoked.

SS-WHAT DO YOU THINK ABOUT SKATE SCENE?

MORT-It's the coolest. That mag wouldn't be shit if we weren't in it!

SS-SHIIIIIT!

MAX-I like Skate Fate. Elender's comics tear. I want to meet Mark Ceonsen.

MORT-Yeah, but where's Skate Rat? I use to skate with that rat all the time, heck, he tere. That redent never fell. He's worse than Caballere.

SS-WERE YOU GUYS EVER MELLOW?

(A fight breaks out.)

MAX-Don't ever say that word again!!! You gotta be hyper if you want to have fun. That's all there is to it.

MORT-The only time you could say we're mellow is when we're asleep. But even then we're kickin' & yellin' due to nightmares cuz we listen to the Misfits tee much.

MAX-"Ben fires burnin bright..." The Germs tear. Wasted Youth. TSOL,
SS-MAX, TELL US ABOUT UTAH.

MAX-My mom played a joke on me. She had me hauled off to the Prove Kid Jail. They were going to keep me there for one day, then bring me back.

MORT-Yeah, but he escaped right when he got there! And he skated & hitched all the way home! (laughter).

MAX-A two day joke turned into a two week romp across hell.

SS-WHAT DO YOU TWO DO ALL DAY?

MAX-Skateboard. Ride the bus.

MORT-Sit. Skate. Cokes and cleves.

SS-WHAT DO YOU THINK ABOUT SAN JOSE?

MAX-It's the best place I've ever been. I like it.

MORT-Fuck everywhere else.

MAX-L.A.'s cool.

MORT-The reason San Jose's cool is cuz we've got tons of places to skate. It's rad.

SS-LAST WORDS.

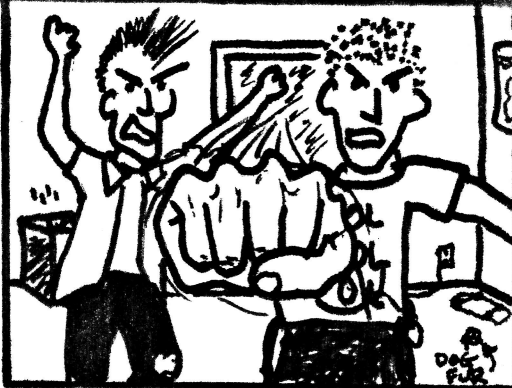

MAX-Be cockey. Skate hard.

MORT-Uh...let's see. Be cocky...

MAX-I said that, dumb shit!

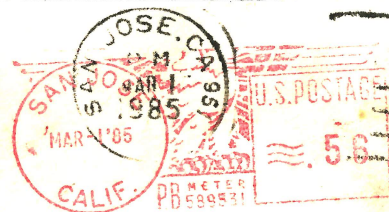

MORT-I could say it tee, Wattie!

MAX-Okay Ian.
